

ADVANTAGE-SINGLE & DUAL

SWIVEL-OUT MOUSE PLATFORMS IDEAL FOR ALL USERS

These systems feature our Advantage platform with either single or dual swivel out mouse surfaces combined with our Pinnacle 2™ Value arm. The generous area of the mouse platform reduces the incidence of lifting and repositioning the mouse, a factor in repetitive stress injuries.

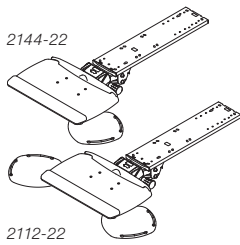

The Advantage Systems are adaptable to fit virtually all workstation shape and size requirements. They meet or exceeds the ANSI/BIFMA standards for performance, durability and cycle testing, and are backed by Workrite's Limited Lifetime Warranty.

The Advantage keyboard platforms features the Optimizer™ with built-in document holder and cord manager as well as the Pinnacle 2 Value adjustable keyboard arm. The Pinnacle 2 Arm is easy to use and features no-knob, no-lever height adjustment.

Advantage-Single can position the mouse platform on either the right or left hand side.

ADVANTAGE SINGLE & DUAL

Keyboard platform features:

- Ultra-Thin Platform for maximum knee clearance
- Includes the Optimizer with built-in document holder and integrated cord management
- Removable LeatherRite palm support
- Available in black only

Mouse platform features:

- Swivel-out mouse platform stores under keyboard when not in use
- Advantage Single converts from right to left handed mousing with simple tool
- Advantage Dual includes both left and right hand platforms
- Mouse-trap keeps mouse in place
- Mouse platforms slide to adjust to Mouse-Forward position for improved comfort

Keyboard arm features:

- Pinnacle 2™ Value Arm with 17" or 22" nylon glide track
- Height range: flush to 6" below the worksurface
- Tilt range: -15° to +10°
- 360° swivel-easy positioning and storage
- No-knob, no-lever Lift-n-Lock™
- Maximum knee clearance
- Tools are required to relocate mouse pad from right to left handed mousing

Environmental considerations:

- LEED credit eligibility
 - Materials & Resources, MR Credit 4.1
Recycled content: 10% (post-consumer + ½ pre-consumer) (1 point)
 - Materials & Resources, MR Credit 4.2
Recycled content: 20% (post-consumer + ½ pre-consumer) (1 point)
 - Innovation and Design, ID Credits 1.1-1.4
Implementation of comprehensive ergonomic program (1-4 points)
- Ultra-Thin platform surface made from GREENGUARD® certified materials

Dual mouse platform includes both left and right hand mousing platforms

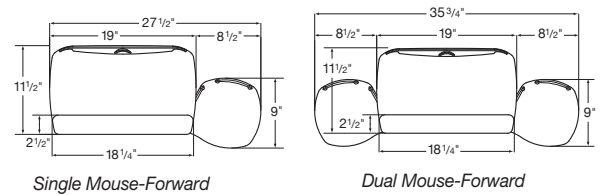

Pinnacle 2 Arm provides -15° to +10° tilt

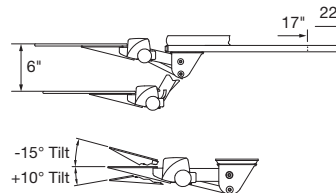

Includes tilt indicator gauge for accurate tilt adjustment
